Learn how to draw Zorg

1 Start your drawing of Zorg by drawing a loop.

2 Draw a box underneath the loop to join the ends.

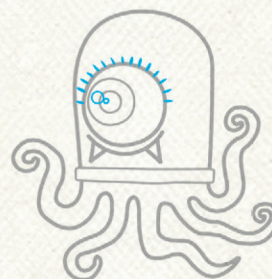

3 Now you can draw Zorg's five tentacles, make them as squiggly as you like.

4 Draw a large circle for the eye and a curved line underneath for Zorg's mouth.

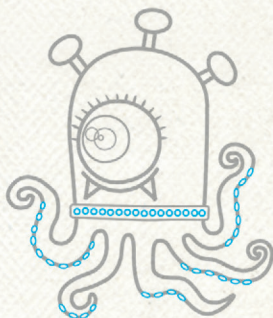

5 Now draw a smaller circle inside the main eye for the pupil and two pointed teeth.

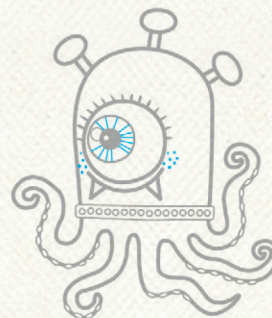

6 Draw lots of small lines for the eyelashes and two small circles for the eye detail.

7 Draw the three antenna on top of Zorg's head.

8 Draw lots of small circles along Zorg's tentacles and neck collar.

9 Finally, draw some lines in Zorg's eye to make the iris and some freckles.
